HOUSE of COMPANIES

COMPANY ADMINISTRATION MEMBERSHIP

The Registry

Your Dutch company administration, organised and on track.

One membership that keeps your company record, documents and compliance deadlines in one place — with 24/7 answers from Emma and a personal account manager on working days.

WHO IT IS FOR

Dutch companies that want their administration organised and their deadlines visible, with personal help close at hand.

WHAT IT SOLVES

Scattered documents and unclear deadlines. Your records, calendar and support come together in one dependable place.

Stay organised

Company records and important documents together in one place.

Stay informed

A compliance calendar helps you keep relevant deadlines in view.

Get support

Emma and your personal Registry account manager help you find your next step.

WHAT'S INCLUDED

What you receive.

Your membership brings together personal support, an organised company record and — for eligible companies — your annual obligations.

Support when you need it

Real answers, day and night.

- Emma — 24/7 support for quick answers whenever you need them
- A personal Registry account manager, available 5 days a week for prompt, personal replies

Your company, organised

One place for records, documents and deadlines.

- Your company record and documents, stored together
- A clear compliance calendar
- Supported self-service compliance workflows

Your annual obligations

For eligible low-activity companies.

- Bookkeeping needed for annual reporting (defined low-activity scope)
- Preparation of your annual accounts / financial statements
- Supported filing or deposit of your annual accounts
- Preparation and supported submission of your corporate income tax (CIT) return

Eligibility · For companies that qualify as low-activity for the covered year. We confirm eligibility with you before this work begins.

WHAT WE NEED FROM YOU

- Accurate company and contact details
- Completing onboarding, including identity verification (KYC) where required
- The information we request to confirm low-activity eligibility before annual work begins

GOOD TO KNOW · NOT INCLUDED

- Ongoing managed VAT filing for operating companies — available with Registry Unlimited
- Assisted annual work if your company does not qualify as low-activity for the covered year
- Independent audit, assurance, specialist opinions or external engagements
- ICP (Intra-Community) filings — available separately when selected
- Payroll and wage-tax work — configured separately

MEMBERSHIP AND NEXT STEPS

An organised start. Ongoing support.

Find the right arrangement for your company, with clear scope and support from the start.

The Registry

€49 / month

Standard reference price, excluding applicable VAT.

First-year reference: €588 for 12 months. Annual billing in advance is subject to the approved arrangement. For the Netherlands branch route, Registry billing begins after successful KvK registration.

Your personalised quotation confirms commencement, renewal and applicable tax treatment. This brochure is general service information, not an individual offer.

Need managed financial support?

Ask about Registry Unlimited for defined managed bookkeeping and recurring financial work. It replaces The Registry; it is never an additional membership charge.

Your next steps

1. **Explore The Registry**
   Discover how records, deadlines and support come together.
2. **Check the fit**
   Discuss your company's activities and the support you need.
3. **Speak to an advisor**
   Request a personalised quotation for your company.
4. **Review your proposed arrangement**
   Check the service scope, eligibility and applicable billing terms.
5. **Continue to onboarding**
   Follow the approved onboarding journey and provide the requested information.

Let's discuss your company
